Further information

If anyone attending the party is a season ticket holder they will have free admission.

A deposit of £1.00 per child is required to confirm the booking.

The Education Room is free to use for the day but must be vacated by 4.30pm. You can decorate the room as you want, we just ask that you leave it as you find it after the party. **The Education room cannot be used with Option 1.**

If you bring your own picnics or birthday cake, you must eat these in the outside picnic areas.

Please give a list of your guests to the staff, and come to the shop to greet them, this avoids confusion regarding who is to be included in your party and paid for by you. At the end please ensure any unaccompanied children are brought back to the tearoom by an adult for collection.

Please be aware that parents who remain in the farm having dropped off their children will be included in the party numbers when the bill is made up.

Your final bill will be prepared for you to settle at the end of the party. Your deposit will be deducted from the total, and you will not be charged entry for non-attendees (although all party food ordered must be paid in full. We need final numbers for food, 3 days before the party). For any further queries or to book a party please call 01366 382162.
